Organic and graceful, playful and fun.
The glass has ripples on one side.
These shine when lit and create optic effects, exemplifying the hand-blown nature of the glass.
The ripples also reflect in adjacent pieces of glass, creating further optic effects.

Each chandelier is custom designed for its environment.
Various colors, sizes, and finishes.

Incandescent, LED light sources.

Each one is unique
Hand-made in New York City.
Eco-Friendly.
